

**BECOME A SUPPORTING MEMBER TODAY!**

Mission: To improve Central Texas air quality and the economic, environmental, and energy security of our area through partnerships, education and initiatives to support area fleets by advancing affordable, domestic transportation fuels, energy efficient mobility systems, and other fuel-saving technologies and practices.

What We Are: Lone Star Clean Fuels Alliance (LSCFA) is a non-profit membership-based coalition. LSCFA is supported by the Department of Energy and is a designated Clean Cities coalition serving Central Texas for more than 25 years. Bastrop, Caldwell, Hays, Travis and Williamson counties.

Who We Are: LSCFA is made up of state and local agencies, industry partners, public and private fleets.

How We Do It: By developing public-private partnerships to promote and use alternative fuel vehicles (AFV), alternative fuels and fuel blends, idle-reduction technologies, hybrid electric technologies and fuel economy practices.

Why: By participation in LSCFA, you will have access to industry experts and fleets, helping guide efforts to move from petroleum-based fuels to alternative fuels and vehicles. Your participation allows you to help shape and steer petroleum reduction projects and programs in Central Texas and the state.

***Membership is annual.***

***LSCFA is an IRS Section 501(c)(3) membership-based nonprofit corporation. Donations, contributions and dues are tax deductible as permitted by law.***

***Select membership level and complete the application below. Then email /mail to:***
